Cancelling or changing an authorization

It is the responsibility of the employer to ensure that authorization is properly managed. As such, amendment, rescindment or cancellation of any authorization is the responsibility of the employer.

The authorization expires automatically after the period of time that you have indicated in *Part D – Validity Period*, on the front (to a maximum of 2 years) or after 6 months from the date on the authorization if no expiry date is indicated.

To change an authorization, a new Employer's Direction of Authorization form must be completed.

To **cancel** an authorization at any time, telephone the Workplace Safety & Insurance Board (WSIB) at 1-800-387-0750 with your request or FAX a request to 416-344-4684 or 1-888-313-7373. A letter confirming the cancellation will be sent to you and a copy will be sent to the representative.

Authorized officers

Refer to policy 21-01-02 Authorization of Employer Representatives Regarding Employer Information for additional information, which includes the definition of an authorized officer of the company as follows:

An authorized officer is defined as an individual within the company who is in a position to commit the organization on a corporate level, or who would normally have access to, and control of, the information to be released. Examples of such individuals are sole proprietors, partners, presidents, vice-presidents, general managers, chief financial officers, controllers, directors of finance, safety officers, and individuals in other positions in which access to confidential employer information is typical.

Spouses, same-sex partners (in decisions made on or after March 1, 2000), or family members are not entitled to access, or to authorize the release of, confidential information unless the person in question is an owner, partner, executive officer, or authorized officer of the company, or an authorized representative of the company.

Ongoing issues under appeal

For issues under appeal, authorization is extended until the WSIB makes a final decision on the appeal (at which time the authorization is automatically terminated for that representative if the authorization has expired) or until the employer rescinds the authorization of the representative, whichever comes first. The issue under appeal must be identified to the WSIB.*

Access to information is issued to the representative provided that the request relates to the issue under appeal.

* in most cases the original decision maker.

Representation & access to claim/worker information

In addition to policies 21-01-01 Access to Employer Information and 21-01-02 Authorization of Employer Representatives Regarding Employer Information, claim-related policies regarding worker information also apply, including policy 21-02-04, Disclosure of Claim File Information to Worker or Employer Representatives, which requires that a copy of the authorization must be provided for each claim file to which access is requested.

Additional Information

If additional space is needed for information (for example, in *PART C*), please add a note on page 1 to indicate that there are additional pages and attach them to this form.

When submitting by fax, please transmit using only original documents.

This is not a request form. It is used solely to provide authorization for employer representation and access to employer-related information.

If you need more information, contact the WSIB at 1-800-387-0750 or by fax at 416-344-4684 or 1-888-313-7373.

To avoid delays, please complete in full, and print in black ink.
